

## Camp Fees and Discounts

A week at camp is not just fun and adventurous. It is also an investment in a person's spiritual formation that will shape a life for eternity. The United Methodist Churches of the Harrisonburg, Staunton, and Winchester Districts would like to see every child have these experiences and offers a subsidy to any who need it.

There are additional discounts that you may choose for families and early registrations.

If you would like to take advantage of the UMC Subsidized rate, circle that amount instead of the full cost amount.
